

DSCR Loans

Grow your portfolio with DSCR loans, where the property's cash flow—not your personal income—qualifies the deal.

Whether you are buying your first rental or expanding a multi-state portfolio, our streamlined process eliminates the need for W-2s, paystubs, or tax returns, focusing instead on the property's ability to cover its own expenses.

LOAN TERMS

Coverage

Competitive LTV rates

Cross Collateralization

Leverage combined equity

Term

30 years +

Loan Amount

\$100K - \$25MM+

Fast, Easy Approval

With our asset-based lending philosophy, approvals are streamlined, and your past financial hurdles don't keep you from future successes.

No Prepayment Penalty

Finish renovations ahead of schedule and sell quickly? Great! Veristone won't penalize you for being efficient.

Personalized Service

Our relationship-based approach means we're with you at every step, offering guidance tailored to your project.

Our streamlined loan process and internal approval can get you funded within a week.
